

Does your
family have a
child age 0-2?

If the answer to the question above is YES, we have
a very exciting opportunity for you!

We know that every parent or caregiver wants to
provide the absolute best start for his or her child, but
we also know that parenting can often be incredibly
challenging, and sometimes, lonely.

The good news is that the Cocalico School District, in partnership
with REAL Life Community Services, Ephrata National Bank, and the
Community Action Partnership of Lancaster, is excited to share that
we now have an

Early Learning Mentor

through the evidence-based program known as

Parents as Teachers.

Our Early Learning Mentor will support and work alongside families
residing in the [Cocalico School District](#) directly in their homes (or
virtually during COVID times) to provide materials and individualized
parent education sessions about how to use every day experiences
to prepare our youngest learners socially, emotionally, and
academically for school and life. Expectant mothers are eligible as
well! Computers can be provided for families to participate in virtual
sessions if needed.

If you, or someone you know, is interested in
the program, please contact Deeann
Sherman at dsherman@caplanc.org or
Denise Logue at denise_logue@cocalico.org
or call 717-336-1462.
