- Evidence of Evaluator's Certification (if not previously provided)
(Per 24P.S. 13-1327.1(e) this person must be one of the following:
 - Licensed Clinical Psychologist
 - School Psychologist
 - PA Certified Teacher with two years grading experience at the level they evaluate
 - Non-public School Teacher or Administrator with two years PA teaching experience with the last 10 years at the level they evaluate
 - Person with other qualifications and the proper consent of the Superintendent

Important Notes:

- Parents of students entering 9th grade who are considering attending the CTC during their senior year should consult the Educational Planning Guide posted on the district's website. It is advisable to check in with the high school guidance office prior to your student's 11th grade year to ensure your student is on track to complete all requirements necessary for CTC enrollment.
- If your student is interested in playing interscholastic sports, please contact the Athletics Office at (717) 336-1450.
- Please be aware of regulations regarding graduation, compulsory school age, and additional documentation for students with IEPs. Consult www.education.pa.gov for more information.
- If you have any home schooling questions, please contact the district office at 717-336-1413.
