

Cocalico School District
Year-at-a-Glance - Curriculum Overview

Department: Business

Course: Internship

Grade Level: 12th

Big Ideas

- After identifying a career of interest, students will be provided an opportunity to gain exposure to a career of interest at a local business.
- Students will evaluate their internship with a list of “likes” and “dislikes” that they experienced.
- Students will plan their next step (after graduation) to prepare for their career of choice.

Eagle P.A.C.T. Course Connections:

The Cocalico Internship course provides opportunities for students to enhance their communication skills (verbally and written) through interaction with their supervisors and the teacher. Students learn to be adaptable and flexible based on the unique requirements of their internship. Students often work with various people at their internship, and learn how teamwork is utilized in an actual work setting.
